

# Quilt in a Day

## Honeycomb Quilt Table Runner

Flower Power Finished size: 14" X 42"

Saturday, Feb. 27

9:00-4:00

ACE Building Board Room

### Fabrics

Select colors of your choice for your quilt. Make notes on this sheet as to which fabrics are your "pink petals," "gray leaves," "green centers," etc. *Tips:* There should be some contrast between the fabrics for the petals and the inner petals. Choose a green for the "leaves" or something neutral if you just want these hexies to blend into the background.

### Homework Assignment – Prepare before class

1. Select the fabrics for your project according to the "Yardage Chart."
  2. Press fabric and cut strips according to the "Cutting Chart."
- Bring to class any fabric left over after cutting. You just never know when a mistake will happen and you might need that extra piece to fix it!

### DON'T FORGET TO BRING:

- \*Basic sewing supplies (sewing machine, rotary cutter, mat, long ruler, thread, extra needles, pins, scissors, etc.)
- \*Power cord and foot pedal for your machine
- \*fabrics you have prepared
- \*power bar and extension cord
- \*iron and small ironing pad or board (optional – one or two will be available)
- \*anything else that will make you comfortable such as a seat cushion, beverage, snack

Lunch is on-your-own. You can either go out or bring a sack lunch with you.

See you there!
