## - SCCF MATCH DAY PARTICIPANT - #GIVINGTUESDAY NOV. 28TH

Dear Members and Supporters:

We have an exciting and unique funding opportunity, but we need your help! South Central Community Foundation (SCCF) will be hosting their first Match Day Event on Tuesday, November 28th. On this day, SCCF will match all donations made to our endowment fund – our long-term savings – where we could potentially receive a match of \$35,000.

### HOW TO DONATE:

- You can send your usual membership check to the Filley between 11/14 and 11/28 and we will send that to SCCF to be matched. If your annual gift is not yet due, we still encourage you to give at this specific two-week time frame instead of your usual membership time, to take advantage of this match opportunity. We thank you and we will make sure your current membership annual date stays the same.
- Donation in person at the SCCF office here in Pratt. Visit [sccfks.org](http://sccfks.org) under the Match Day Tabs for updates.
- Donate online at [sccfmatchday.org](http://sccfmatchday.org) between November 14-28th.
- Mail donation to SCCF | P.O. Box 8624 | Pratt, KS 67124, postmarked by November 28th. **Make out to SCCF in this case and list FILLEY ART MUSEUM in your memo line.** \*\*\*All donations are tax deductible.

Nonprofit Match Days were created to help local nonprofits raise dollars for current and future needs. This is the first Match Day hosted by SCCF due to an incredible grant from the Patterson Family Foundation, which will match all donations made to SCCF up to \$70,000.

We are excited for the opportunity to receive funding for our current needs while helping build funding for the future of our organization.
